June 29 – **BLUE LUNCH —** The late 1940's and early 1950's were a magical time in American musical history, when blues, rhythm & blues, swing and rock & roll were all one thing. Blue Lunch explores that music and makes it their own. Blue Lunch features a three piece horn section, upright bass, drums, keyboards, guitar, and harmonica, along with multiple singers and harmonies. In all of the contemporary blues scene, Blue Lunch stands alone with its unique sound.

July 13 – **VOICES OF OHIO -** Welcome back this Ohio group. With over 45 years of show business experience, they perform a repertoire that reads like a popular American songbook. Whether they are performing turn-of-the-century classics, a big band number from the 1940s, a rockin' number from the 1950s, pop numbers from the 1970s, hits from the Broadway stage, today's new country, songs of hope and inspiration, and a red-white-and-blue star-spangled finale that is guaranteed to bring the crowd to their feet. A concert entertainment event the entire family will enjoy.

July 27 – **CLASSIC RPM** –

August 10 - **KODACHROME BABIES —**

"The Kodachrome Babies are a sister duo from Dover/New Philadelphia, Ohio, who formed in 2010. Their modern-day take on the 1950s girl group sound is sure to make you smile. Audiences love their upbeat covers and original tunes that feature their guitar/ukulele combo and harmonies only sisters can create. Their debut album, *Developing*, was released in March 2015. Their second album, *A Very Kodachrome Christmas,* was released in November 2016."

In case of inclement weather, we will move the concert to the Orrville High School auditorium or will be cancelled. We will make every effort to notify local radio and send out our email alert (sign up at www.orrville.com) and post on the City of Orrville Facebook site.
