

# ORRVILLE TRUCK ROUTE COMMENT SHEETS

## Public Meeting 2 – October 30, 2007

The City of Orrville is gathering public input about conceptual alternative corridors developed to improve the flow of truck traffic and to remove truck traffic from East Paradise Street. We have developed a series of questions to solicit comments and input regarding this project. Please use these sheets to record your responses to the questions and to add any additional suggestions or comments. Please return this sheet to the comment box tonight, if possible.

1. General Respondent Information: **Please check all that apply.**

- Property Owner

Solutions are presented at this meeting that will improve the flow of truck traffic along SR 57 and that will remove truck traffic from East Paradise Street. Please answer the following questions about these conceptual alternative corridors by evaluating the options **independently** from each other.

### SR 57 Corridor Conceptual Alternative Corridors

4. Please rank the following SR 57 Conceptual Alternative Corridors from 1-6 with 1 being the solution you most prefer and 6 being the solution that you least prefer.

- \_\_\_\_\_ Maintain the existing condition (No Build)
- \_\_\_\_\_ Modify intersections to make turning easier for trucks
- \_\_\_\_\_ Extend High Street east to connect into Orr Street
- \_\_\_\_\_ Improve traffic signal timing on SR 57
- \_\_\_\_\_ Review accident data and evaluate options available to reduce accidents
- \_\_\_\_\_ Other solution (Please describe) \_\_\_\_\_

5. In your opinion, are there other solutions for improving the flow of truck traffic on SR 57 that have not been mentioned above? Please explain.
