

## The 2011 Orrville citywide leaf pick Schedule

South side- Monday, October 31<sup>st</sup>. All streets south of and including Market Street, please have your leaves placed and ready for pickup between the curb and sidewalk (on the tree lawn) before the above date.

North side- Monday, November 7<sup>th</sup>. All streets north of Market Street, please have your leaves placed and ready for pickup between the curb and sidewalk (on the tree lawn) before the above date.

Final Pass- November 15<sup>th</sup>. Any leaves not collected after that will need to be bagged and put out for the local trash collectors.

Following are some guidelines to help you and city crews during leaf pickup;

- Please place leaves between the curb and sidewalk (on the tree lawn) before the above dates for pickup.
- If you do not have a tree lawn or yours is very narrow, place the leaves directly behind the sidewalk.
- Do not place debris (sticks, trash, stones, etc) in or on the piles. Sticks can be bundled, tied, and placed at the curb for regular curb pickup.
- Crews will not empty bags containing leaves.
- If you have a storm basin in front of or near your property, please keep all leaves off of the top of it to allow storm water to enter the storm system, preventing flooding.
- Leaves can be bagged for pickup with your regular trash.
- Please do not park vehicles on the street blocking workers from getting to the leaf piles.
