Administrative Reports

Mayor Plybon: Today is National Municipal Clerks Day. I would like to recognize our Clerk of Council Jeanne Gault. Jeanne's work behind the scenes keeps our meetings organized and keeps track of our records. We appreciate her dedication and all she does in serving Orrville. Vance: When someone does a job well, you don't notice that they're doing it. When our clerk is not here, we notice how much scrambling goes on behind the scenes and quick training takes place and we appreciate you more.

Safety-Service Director Wheeler: Depot Park work continues. Trail project is waiting on asphalt areas to dry out. May 4th is International Firefighters Day. Special thanks and honor to our Orrville firefighters for their commitment to the profession and their dedication to the safety of our community since 1855.

Assistant Utility Director Filippi: The natural gas contract ends this year. Natural gas prices are rising so look for prices to go up, with more information coming. Bright Mountain Solar and Potomac Energy contracts are fully executed and have become part of our portfolio.

Finance Director Strimlan: 1st qtr. investment reports were distributed. No action necessary. The Fund Balance report ending March 31, 2026, was also distributed and requested approval subject to audit. Carr moved. Lax seconds. Approved by vote.
