

City of Orrville, Ohio, Income Tax
Information for Declaration of Estimated Tax

Effective in 2016, a declaration of estimated tax must be filed by every taxpayer that anticipates owing more than \$200 for the next taxable year. Once the declaration is filed, the taxpayer is responsible for making quarterly tax payments.

The declaration form is located on the lower half of page 1 of the Individual Tax Return (IR). Completing lines 20 – 25 is self-explanatory. If, after completion, the amount shown on line 23 exceeds \$200, quarterly payments are required. Payments are due according to the following schedule:

First quarterly payment is due with the filing of the tax return on April 15. (25% of the tax liability is due)

Second quarterly payment is due on June 15. (25% due, minimum of 45% of annual liability)

Third quarterly payment is due on September 15. (25% due, minimum of 67.5% of annual liability)

Fourth quarterly payment is due on December 15. (25% due, minimum of 90% of annual liability)

Estimated tax payment coupons (Q1) are available on the City's website: www.orrville.com

This amendment to the City's tax ordinance was mandated by the passage of State House Bill 5. See ORC 718.08
