Fence Location	Fence Height	Distance from Property Line

Section 1103.37(D) Yard Exceptions – Fences, Hedges, and Walls. In all districts except industrial, fences and walls may be constructed to a maximum height of six (6) feet in any required side or rear yard. A hedge or fence may be no more than three (3) feet in height in any required front yard. On corner lots, the fence shall be no higher than three (3) feet in the side yard unless such fence is at least fifteen (15) from the side street lot line. On double-frontage lots, any fence constructed within the setback line along the rear lot line shall not exceed three (3) feet in height unless it is at least fifteen (15) feet from the rear right-of-way line. Fences or walls required to surround and enclose public utility installations are not limited as to height in any district. A fence shall not be erected until a permit has been issued by the Director of Public Safety and Service. There shall be a Fifteen Dollar (\$15.00) fee for this permit.
