RECORD OF RESOLUTIONS

RESOLUTION 28-18 Resolution authorizing the Director of Utilities and/or the Public Utilities Board of Control to bid and enter into a contract for the construction of a new high flow lift action at the wastewater plant and declaring an emergency. WHEREAS, a new lift station is required to reduce plant and city sewer line back-up uring high influent events. Currently the plant uses 4 raw pumps at a pumping capacity of 1.5 MGD. The proposed 2 pump lift station will increase total maximum pumping apacity to 21 MGD. This proposed lift station will discharge directly into the plant's 3 rd equalization basin which will result in an improved and more efficient treatment process uring high flows, while reducing plant and city back-ups. WHEREAS, the estimated cost is \$389,000.00, which includes engineering, permitting eyes, material and construction costs. Funds are included in the 2018 and 2019 budgets. BE IT RESOLVED by the Council of the City of Orrville, Ohio: Bection 1: That the Director of Utilities and/or Public Utilities Board of Control is hereby authorized to bid and enter into a contract for repairs and painting of the west water tower.
