

Resolution 39-22

LEGISLATION CONSENT

Rev. 8/5/22

The following is a Resolution enacted by the City of Orrville of Wayne County, Ohio, hereinafter referred to as the Local Public Agency (LPA) for ODOT Project Title – Municipal Bridge Inspection Program and declaring an emergency.

ODOT Project Title: Municipal Bridge Inspection Program

SECTION I - Project Description

WHEREAS, the (LPA) has determined the need for the described project:

Bridge Inspection Program Services, including, but not limited to routine inspections, element level inspections, critical-findings report, fracture critical member inspections, load rating calculations and reports, weight limits posting sign recommendations, scour assessments, scour plan of actions, development of fracture critical plans, and underwater dive inspection reports if needed.

NOW THEREFORE, be it resolved by the City of Orrville of Wayne County, Ohio.

SECTION II - Consent Statement

Being in the public interest, the LPA gives consent to the Director of Transportation to complete the above described project.

SECTION III - Cooperation Statement

The LPA shall cooperate with the Director of Transportation in the above described project as follows:

The State shall assume and bear 100% of all of the cost for Bridge Inspection Program Services requested by the City and agreed to by the State. Eligible Bridge Inspection Services are described in the Consultant's Scope of Services Task Order Contract (Exhibit A).

The LPA agrees to pay 100% of the cost of those features which are not included in Exhibit A. Those features may include but not limited to the purchasing and erecting the recommended weight limits postings signs, the implementation of critical findings reports such as partial or total bridge closures, the implementation of the scour plan of actions. When recommendations affect public safety, ODOT expects full implementation by the LPA. As of October 2019, FHWA requires installing weight limits posting signs within 30 days from the official date of the approved recommendations. Timely implementation is essential to the success of this program.

SECTION IV - Utilities and Right-of-Way Statement

The LPA agrees that all right-of-way required for the described project will be made available in accordance with current State and Federal regulations.

SECTION V – Project Duration and Consent Applicability

The Project is based on the available funds provided by ODOT aimed at assisting the LPA in reaching compliance with State and Federal laws and policies for bridge inspection. The Project specifics (program duration, PID number, and consultant scope of services (Exhibit A)) shall be provided to the designated LPA Contractual Agent via email sent by ODOT Office of Structural Engineering (OSE).

ODOT will seek additional funds to renew the project in future years. If such funds are allocated, ODOT will send an email with the Project specifics to the designated LPA Contractual Agent seeking approval for the new Project. ODOT will not proceed with any Project that does not have written authorization via email from the designated LPA Contractual Agent.

Resolution 39-22

SECTION VI – Authorization of Project

That Steven Wheeler, Safety-Service Director, is hereby empowered on behalf of the City of Orrville to provide written authorization via email to the Director of Transportation to complete the above-described project and any renewals.

That this Resolution is hereby declared to be an emergency measure necessary for the immediate protection and preservation of the public peace, health, safety, and general welfare of the City of Orrville, and for the further reason to expedite the highway project and to promote highway safety. Following appropriate legislative action, it shall take effect and be in force immediately upon its passage and approval, otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Passed this 19 day of September, 2022.
